Apprenticeship Program

**Full pay while you study off-island!
ASPA paid tuition, room & board, round trip travel etc.**

The American Samoa Power Authority announces an excellent opportunity for up to ten (10) technically minded individuals who want a challenging, profitable career in American Samoa.

ASPA is looking for its next generation of technicians and engineers. Over the next few years, ASPA will be developing young technicians and engineers for key positions within the organization. It needs skilled specialists in a number of fields including civil, mechanical, and electrical engineering or similar trades.

ASPA will provide employment and professional training for successful applicants. Apprentices will receive training on-the-job and take apprenticeship classes. Qualified apprentices will receive an all-expense paid education at Manukau Institute of Technology or Unitech Institute of Technology in New Zealand or equivalent. Applicants must be willing to commit to 2-3 years abroad in pursuit of a diploma or degree, followed by full-time employment at ASPA for a minimum of 5 years.

Selected apprentices will be employed by ASPA in preparation for the academic session starting in school year 2024-2025. *Note: This date is subject to change.*

Applicants must have the following qualifications:

Educational Requirements: High School graduate (minimum); Associate degree or better preferred. Must have a B or better grade average in the following courses:
(1) Physics, Chemistry, General Science
(2) Algebra, Geometry, Trigonometry, Pre-Calculus
(3) English (TOEFL score of 600 or better)

Skills and Aptitudes: Intermediate level computer skills. Ability to work independently, disciplined, self-starter, technically minded (confirmed by required references). Other desirable skills include hand-eye coordination, motor skills, attention to detail, and works well in a team environment.

Test/Interview:

All applicants will be required to pass ASPA's internal written test(s) for science and math ability followed by an interview with a selected panel. A study guide will be provided.

Salary will be based on the technical area and job duties assigned.

Applicants must complete an ASPA Employment Application Form and provide two written references with school transcripts. The form is available at ASPA Human Resource Office in Tafuna or via ASPA's website at www.aspower.com.

All application information, including school records and references, will be subject to verification as part of the screening process.

Deadline for submitting applications is 4pm on January 5, 2024.
