# Apprenticeship Program Opportunity

**Full pay while you study off-island!**

**ASPA paid tuition, room & board, round trip travel etc.**

---

The American Samoa Power Authority announces an excellent opportunity for up to ten (10) young technically minded individuals who want a challenging, profitable career in American Samoa.

Over the next few years, ASPA will continue to build its next generation of engineers & technicians, preparing them for key positions within the organization. Skilled specialists are needed in civil engineering, electrical engineering, renewable energy or similar trades.

Employment and professional training will be provided for successful applicants who will undergo both on-the-job and apprenticeship classes. Qualified apprentices will receive a 2-3 years all-expense paid education at the Fiji National University, pursuing a diploma or degree, followed by full-time employment at ASPA.

Selected apprentices will be employed by ASPA tentatively by August 1, 2024 in preparation for the academic session starting in February 2025.

***Applicants must have the following qualifications:***

**Educational Requirements:** High School graduate (minimum); Associate degree or better preferred. Must have a B or better grade average in the following courses:  
(1) Physics, Chemistry, General Science  
(2) Algebra, Geometry, Trigonometry, Pre-Calculus  
(3) English (TOEFL score of 600 or better)

**Skills and Aptitudes:** Intermediate level computer skills. Ability to work independently, disciplined, self-starter, technically minded (confirmed by required references). Other desirable skills include hand-eye coordination, motor skills, attention to detail, and works well in a team environment.

**Testing:** Applicants will be required to pass ASPA's internal test for science and math ability (a study guide will be provided upon applying).
